## 2011 SUMMER RECREATION POOL / TENNIS PASSES POLICIES AND PROCEDURES

An application for a pool and/or tennis pass will be accepted only if completed in full and submitted on the annual pass application form.

- All applicants must be full-time borough residents,
- Minors under the age of 11, residing in the borough, whose parents or legal guardian qualify as a borough resident, pays the applicable fee for a family pool pass and,
- Minors, age 11 and over, residing in the borough.

Applications will initially be verified using borough records to confirm identity of the applicants and compliance with residency requirements.

Residency is defined as living in the borough full-time throughout the calendar year or living in the borough during the months of June, July and August. In either case, the pool pass may be declined or revoked if satisfactory evidence of residency is not provided.

If Forest Hills borough residency is not verified through borough records, then the applicant will be requested to provide appropriate proof of residency. The applicant will be notified by phone or written notice stating that proof of residency must be provided before the application can be processed.

Acceptable proof of residency includes:

1. Current Pennsylvania driver's license or some other form of photo identification, and,
2. Current utility billing, tax receipt, credit card, or other documentation sufficient to satisfy the pool committee.

Residents with children or grandchildren living with them temporarily during the months of June, July and August must prove full-time borough residency through affidavit to be submitted as part of the pool-pass application.

An additional category of persons entitled to use the Forest Hills pool is established for those persons not issued a pool pass, but otherwise entitled to use the facilities, are as follows:

1. Children of adult pool-pass members under the age of 3 as of May 1 (no pass required);
2. Natural parents who reside outside of Forest Hills borough but whose children are holding a valid pool pass due to residency status of another parent or legal guardian (parent only admitted when accompanying their children to the pool);
3. A babysitter (at least 13 years of age) or temporary guardian of children is permitted to accompany children to the pool, as long as the child's parents or family holds a valid pool pass.

In each of these cases, no pool pass will be issued to the applicable person, but the name of the person will be noted on index cards maintained by the pool cashier. Upon presentation of appropriate identification, the individuals may gain access to the pool. Babysitters or guardians will not be permitted to use the Forest Hills pool unless accompanying children identified on the index cards.

All persons seeking permission to enter the pool must present their pool pass attached to their garment or provide evidence needed to satisfy residency requirements. All other persons will be denied access to the pool, unless as a paying guest of a Forest Hills resident.
